My desk number should work 3-8678, but if not, call my cell 312-802-0711.  
If we skype, we can both look at the same document simultaneously online.

Ok so we can try Skype but if that doesn't work then give me a phone number to call you, b/c I may end up switching to a conference room.

Don't come in on my account. We can try to talk through it tomorrow on the phone. Pick a time and send me a calendar invite for whatever works for you.

I expect to be available Friday. On Thursday, I was planning to be in NWIndiana, but could try to come back early, so we could do it in the late afternoon (around 2 or so). Or I am working from home tomorrow and don't yet have any scheduled meetings, so I can meet, but it won't be face to face (we could skype forbusiness). If you'd really like me to, I can come in tomorrow to have our face to face. Let me know your thoughts.
